

Dear Neighbours

Please don't play music
in the middle of the night,
do not shout,
switch off your lights.

Don't leave rubbish
in the hall,
do not bang
on the wall.

There's no need
to stamp on the floor
or to slam
the door.

You know you can't smoke,
it sets off the alarm
as well as doing
your lungs harm.

Thank you
in anticipation
of your
co-operation.

Kind regards,
Mrs Mee

the tenant
of Flat 3.
